MEDICINAL

Dizziness

Is a very common consequence of indigestion and torpid liver. Sometimes there are spots before the eyes and hot flashes. At other times a sensation as of vertigo occurs, at once suffocating and blinding. It is a waste of time to attempt to cure this condition by ordinary means or medicines. The stomach and organs of digestion must be restored to healthy activity, the blood must be purified, the liver cleansed and strengthened, before a cure can be hoped for. This is the work done by Dr. Pierce's Medical Discovery, a medicinal specially beneficial in diseases of the stomach, blood and liver. It strengthens the stomach, purifies the blood, cleanses the liver, and promotes the health of every organ of the body.

"My wife was greatly troubled with indigestion, torpid liver, dizziness, and also irregular periods," writes Mr. W. A. Preston, of Abingdon, N. Va. "We tried many different remedies, but none gave perfect relief until we were induced by a lady to try your 'Golden Medical Discovery.' Favorite Prescription, and Pleasant Pellets. These medicines did more good than anything we ever tried for these complaints. We have used four bottles of your 'Golden Medical Discovery,' one of 'Favorite Prescription,' and two vials of your 'Pleasant Pellets.' These medicines have done the work we desired, and I do heartily recommend them to all similar sufferers."

Dr. Pierce's Pleasant Pellets assist the action of the "Discovery."

CATARRH Nasal Catarrh.

In all its stages there should be cleanliness.

ELY'S CREAM BALM cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

CREAM BALM is placed in the nostrils, relieves in immediate and a cure follows. It is not drying—does not produce sneezing. Large size, 50c at drug stores or by mail. Trial size, 10 cents by mail. **ELY BROTHERS**, 56 Warren street, New York.

FOR OVER FIFTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure does what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation will help but do you good. The most sensitive stomachs can take it.

GAVE THE "HOLY KISS."

The deacons of the First Congregational Church, in Oberlin, Ohio, are holding a secret investigation into the conduct of one of its members, L. B. Preiser, brought about by charges preferred by Mrs. C. O. Gibson, another member of the congregation.

Preiser is charged with deceiving her in regard to spiritual matters and with improper conduct and talking about her in such a manner as to cause her disgrace.

Preiser says he has divine revelations which control his conduct. One of the many things charged against Preiser is that he gave Mrs. Gibson the "Holy Kiss," having received, as he asserts, the power from God to do so.

When told by the investigating board that he had been indiscreet, he said: "Do not blame me; blame God, for from Him I received a divine revelation to do as I have done."

Two of the committee of four which is holding the investigation have resigned their places on the committee, and pleaded lack of time to attend to their duties as their excuse.

The investigating board was made up of W. B. Bodorff, Prof. Bosworth, Prof. Corrier and G. C. Prince, all well-known Oberlin men.

Prof. Bosworth and Corrier have resigned. Two other men will be selected to fill their places. The trouble in the church started three years ago, when both Preiser and Mrs. Gibson were called before a similar church board to answer charges against them.

Both are married and are often seen taking walks and drives together.

Now Mrs. Gibson says that Preiser is withholding letters that she wrote him at that time and is accusing her of being insane and possessed of the devil.

Since the first trouble three years ago, Preiser and Mrs. Gibson have had no relations with each other, and the present affair is an outgrowth of Preiser's refusal to return Mrs. Gibson's letters and of his statements regarding her. Both are over 50 years old.

THE RISE AND FALL OF BERRY WALL.

—ALAS, how have the mighty fallen! Berry Wall, once known as the "King of the Dudes," the hero of 300 pairs of trousers with waistcoats, jackets and other garments in keeping, is now reduced to partaking of his food from the street.

At a recent night the festive Berry was so seen at one of the best-known Broadway restaurants, to the chagrin of the dandies who knew him at the time he was in the zenith of his notoriety and popularity.

Ten years ago Berry Wall was one of the best known individuals in metropolitan life, he having succeeded in advertising himself from one end of the country to the other.

With plenty of money at his disposal Wall started the pace and set the fashions in dress. He was everywhere on parade and was said never to wear the same trousers twice.

Rumor declared he changed his garb while going from place to place in his private cab and many a like story was in circulation. Without attempting to say where fact ended and exaggeration began, Wall was really one of the most gorgeous creatures imaginable.

As a Beau Brummel he was a high success and received the adulation of the happy masses. Then there came a time when his tailors were not so ready to extend credit, when the bookmakers at the tracks asked for cash when bets were made instead of accepting "markers" without question.

Next came a bad crash, the payment of debts by relatives and finally bankruptcy proceedings and subsequent marriage.

Berry Wall is no longer a gorgeous creature nor yet a high flyer. He is by no means in want, but lives modestly and retiredly appearing evenings in unconventional attire that once would have given him and his friends a laugh even thought of.

A Good Cough Medicine for Children

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well-known and popular doctor, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by Richard Gibson, druggist.

Announcement.

To accommodate those who are partial to the use of cream in suppling liquids into the nasal passages for catarrhal troubles, the proprietors prepare from Balm in liquid form which will be known as Ely's Liquid Cream Balm. Price, including the spraying tube, 75 cents, druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not clog up the nostrils, but changes them to a natural and healthy character. Ely Brothers, 56 Warren street, New York.

Like Oliver Twist, children ask for more

when given one Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble, and is specific for grippe and catarrh and has long been a well known remedy for whooping cough.
